

## **Catering and Special Events At The Villa Del Sol**

Your special event with Cafe Hidalgo in the beautiful courtyard of The Villa del Sol will be a time to remember for years to come. Our goal is to make the time you share with us as exciting as possible. Over the years, we have hosted many special events but realize that each one unique. We strive to make all accommodations possible to help you customize an event that is truly your own.

Built in 1920, “*The California*” hotel and beautiful courtyard is one of the premier locations for events in Orange County. Cafe Hidalgo has been the primary caterer for special events here for over 10 years. The high quality of food and service we provide will guarantee that your reception with us will be a special one.

Your first step with having your reception with us is to book the Villa courtyard. Once your date is secure, we can proceed with coordinating the details of menu and service with you. Part of what we do best is to make you feel comfortable with every step of the planning processes. Feel free to contact our director of special events Dena David at any time to discuss the specifics of your event. We look forward to making your special day truly memorable.
